Waiving of Loans and Taxes of Farmers

811. SHRI BEKAL UTSAHI: Will the Minister of AGRICULTURE be pleased to state:

(a) whether Government have given any guidelines to the State Governments for waiving of loans and taxes on the farmers in view of the grave drought conditions in the country, and

(b) if so, the details thereof?

THE MINISTER OF STATE IN THE DEPARTMENT OF AGRICULTURE AND COOPERATION IN THE MINISTRY OF AGRICULTURE (SHRI YOGENNDRA MAKWANA): (a) and (b) As a policy, the Government of India are not in favour of any measures involving write off/waiver of loans and taxes on the farmers, as these tend to vitiate the climate of recovery, encourage wilful default and undermine the viability of credit institutions. However, there are inbuilt provisions under the existing institutional arrangements for conversion/re-sechedulement of loans in the event of crop failure due to natural calamities like drought. In addition, Government of India have introduced a comprehensive crop insurance scheme with a view to provide relief to the loanee farmers in the event of natural calamities. Due to failure of monsoon and consequent severe drought conditions, NABARD has advised the co-operative/commercial banks to extend necessary assistance to the affected borrowers in various States in raising alternate short duration crops, wherever feasible. Further, small farmers having default upto 20 per cent of eligibility could now be considered as eligible for fresh finance.

Mini Steel Plants in U.P.

812. SHRI BEKAL UTSAHI: Will the Minister of STEEL AND MINES be pleased to state:

(a) the number of mini steel plants functioning in Uttar Pradesh at present and how many are lying idle; and

(b) whether Government have made any assessment on the functioning of mini steel plants in U.P., if so, what are the details thereof?

THE MINISTER OF STEEL AND MINES (SHRI M L. FOTEDAR): (a) 26 mini-steel plants with a capacity of 5.43 lakh tonnes per annum are installed in Uttar Pradesh. As per the latest report, three of these units are lying closed.

(b) No, Sir.

Drought relief to Karnataka

813. SHRI D. B. CHANDRE GOWDA: Will the Minister of AGRICULTURE be pleased to state:

(a) whether Government's attention has been drawn to a newsitem captioned "Drought withers crops in Karnataka" as reported in the Indian Express dated 26th August, 1987;

(b) if so, whether the Central Government have given any kind of help to the Karnataka Government to meet the drought situation; and

(c) if so, the details thereof in this regard?

THE MINISTER OF STATE IN THE DEPARTMENT OF AGRICULTURE AND COOPERATION IN THE MINISTRY OF AGRICULTURE (SHRI YOGENDRA MAKWANA): (a) Yes, Sir.

(b) and (c) In response to the memorandum submitted by the State Government for drought relief, a ceiling of expenditure of Rs. 34.07 crores has been approved for relief measures for 1987 drought. In addition, a sum of Rs. 12.50 crores and Rs. 6.75 lakhs has also been approved for completion

of identified irrigation projects and distribution of vegetable minikits to farmers for 1987-88 respectively.

Approval of the modified National Oilseeds Development Prject

814. SHRI D. B. CHANDRE GOWDA: Will the Minister of AGRICULTURE be pleased to state:

(a) whether Government had recently approved the modified National Oilseeds Development Project (NODP) for the remaining period of the current plan period;

(b) if so, the details thereof;

(c) the details of the areas where this project will be implemented; and

(d) to what extent the import of oilseeds will be minimised and the indigenous production is likely to be boosted?

THE MINISTER OF STATE IN THE DEPARTMENT OF AGRICULTURE AND COOPERATION IN THE MINISTRY OF AGRICULTURE (SHRI YOGENDRA MAKWANA): (a) and (b) The National Oilseeds Development Project for the first year of 1985-86 is modified and is being implemented in 17 oilseeds growing States from 1986-87, and will be continued as such during the remaining period of Seventh Plan Under this project, financial assistance is given on various critical inputs like multiplication and supply of improved seeds, provision for plant protection measures, improved farm implements supply, organising large sized block demonstrations etc.

(c) The Project is in operation in 17 important oilseeds growing States.

(d) Government of India is taking every possible step to boost the production of oilseeds with the implementation of National Oilseeds Development Project, Oilseeds Production Thrust Project and constitution of Oilseeds Technology Mission in order to minimise the import of edible oil and to achieve self-sufficiency.
